**Sub.: Submission of 2023-24 feedback from various stakeholders related to our curriculum and syllabus - Reg.**

Respected Sir,

We are very much thankful to Dr. Rammanohar Lohia Avadh University for considering most of our previous suggestions and incorporating them in the curriculum and syllabus.

We had taken feedback from various stakeholders (Students, Teachers, Alumni, Parents and Employers) of our institution for enhancing the academic quality, and identifying the gaps in the curriculum as per the current requirement.

We have listed below the key suggestions related to curriculum and syllabus. We are very pleased to bring this to your kind notice for further actions and improvements. Suggestions related to curriculum and syllabus:

1. Specialization in each and every subject need to be offered both the U.G. and P.G. level.
2. Students' participation not just in academic activities but in extra curricular also should be increased.
3. From the point of view, it is requested to make computer skilled a mandatory subject in any one year of U.G. course.
4. Access to syllabus-based books should be provided.
5. Change of stream (From humanities to Commerce and from Commerce to Humanities) needs to be allowed according to NEP 2020.

Thanking You.

Taking into consideration the feedback we received from students and teachers we bring the following points for your kind consideration.

1. The university can think of not just prescribing the benefits of the student community.
2. Courses in language and literature and other humanities have been dumped with traditional syllabus that can be updated.

Thanking You.
