

Shri Lal Bahadur Shastri Degree College, Gonda Engineer's Day Celebration

Organizing Department: BCA Department (in association with IQAC)

Objective of the Event

On the occasion of Engineer's Day, Shri Lal Bahadur Shastri Degree College, Gonda organized a series of academic and technical programs and competitions. The main objective of the event was to acquaint students with the life, personality, and contribution to nation-building of Bharat Ratna Sir Mokshagundam Visvesvaraya, India's great engineer, and to foster technical knowledge, logical ability, and a spirit of innovation among students.

Inauguration of the Program

The program was inaugurated by **Er. Abhay Dwivedi**, Head of the BCA Department. He gave students a detailed account of Sir M. Visvesvaraya's life and his significant contributions to nation-building, and encouraged students to draw inspiration from his life to use their knowledge and skills for the country's development.

Remarks by Guests and Speakers

Speaker	Key Points
Prof. Ravindra Kumar (Principal)	Joined the students via Google Meet and encouraged them to keep learning continuously in the technical field and stay updated with the changing technological world
Prof. Jitendra Singh (Officiating Principal)	Highlighted Sir M. Visvesvaraya's life and ideals, and had students take a pledge to draw inspiration from his life and contribute to national development in the future
Prof. Arvind Sharma	Emphasized developing creativity and problem-solving ability alongside technical proficiency, noting that technical knowledge is a vital foundation of a nation's progress
Dr. Rekha Sharma	Highlighted the widespread use of technology, noting that it is not limited to computers and IT but plays an important role in education, medicine, agriculture, industry, banking, communication, and many other fields

Competitions Held
