## **REPORT ON THE INDUCTION PROGRAMME (2025-26)**

*Organized Jointly by the Departments of Mathematics and Physics*

*Date: 26th July 2025*

*Venue: Room No. 02 (Science Campus)*

---

### **Introduction:**

The Departments of Physics and Mathematics, LBS Degree College, Gonda, jointly organized an *Induction Programme* for the newly admitted **B.Sc. (First Year) First Semester (Math Group)** students on **26<sup>th</sup> July 2025**. The programme was held in the **Room No. 02** with the objective of familiarizing students with the academic structure, departmental activities, and campus environment, while also inspiring a sense of belonging and enthusiasm for the upcoming academic journey.

---

### **Programme Highlights:**

The event commenced with a warm welcome of students by faculty members from both departments. The **Head, Department of Physics, Prof. Jitendra Singh & Department of Mathematics, Prof. Sanjay Kumar Pandey**, inaugurated the session with an insightful address. They emphasized the importance of Physical & Mathematical sciences in today's world, encouraged students to develop scientific temper, and highlighted the career opportunities available in the field of natural sciences.

Following the inaugural address, **Dr. Ankit Maurya (Department of Mathematics)** and **Dr. Avneesh Mishra (Department of Physics)** interacted with the students. They elaborated on the course structure, teaching methodologies, and the significance of practical learning. The students were informed about laboratory practices, safety guidelines, and ethical conduct expected during practical sessions.

The programme was further extended by **Head, Department of Mathematics, Prof. Sanjay Kumar Pandey** and **Head, Department of Physics Prof. Jitendra Singh** who delivered an encouraging talk. They stressed on discipline, regularity, and participation in academic and co-curricular activities. He also informed students about internal assessment methods, Add-on courses, field visits, seminars, and opportunities for research projects in later semesters.

---

### **Student Interaction and Orientation:**

The session included an interactive round where students introduced themselves and shared their interests and expectations. Faculty members assured students of continuous support and mentorship throughout their academic journey. The Induction Programme concluded on a positive and motivational note, with students expressing their appreciation for the welcoming environment. The event successfully set the tone for an engaging and academically enriching undergraduate experience. The collaborative effort of both departments was commended for creating a well-structured and informative orientation.
