

**REPORT ON “WORLD PHOTOGRAPHY DAY”
UNDER THE COMPLIANCE OF FIT INDIA CAMPAIGN**

DATE: 19th August, 2020

It is said that a picture is worth a thousand words. In pursuance of the “**FIT INDIA CAMPAIGN**”, initiated by the DG, NCC, New Delhi, the ANO/CT at Shri Lal Bahadur Shastri College, Gonda, Dr. Pushyamitra Mishra, organized an activity on the “**WORLD PHOTOGRAPHY DAY**”, amongst the cadets of UP 1/48 Bn NCC, Gonda.

Where there is a will, there is a way, and to the cadets for whose enthusiasm, sky is the limit, no global pandemic could confine their motivated spirits. In an attempt to ensure healthy minds, positive outlook and brighter perspective, the cadets were given a task to observe and identify “**the positive elements in this global pandemic**” and taking World Photography Day as the platform, capture as a photograph, what is positive to them. Every cloud has a silver lining, and to justify this, the cadets whole heartedly gave an overwhelming response. For some found an opportunity to work towards making their bodies fit and sturdy, while others restored peace through meditation. Some came close to nature, while the others found positivity in acquiring and imparting knowledge.

The cadets, wherever placed, have put up an excellent display of their positive mindsets in different aspects. This activity helped the cadets to identify, observe and imbibe positivity and brightness, even in such gloomy times. They shared their photographs on the official WhatsApp group, being created for this purpose.
