

Report on

“Choose Indian Air Force as Career”

(Career Guidance & Counselling Activity Report)

Shri Lal Bahadur Shastri Degree College, Gonda, through its Placement Cell and IQAC, organized a highly impactful Motivational Lecture and Career Awareness Programme titled **“Choose Indian Air Force as Career”** on **04 December 2025 at the Lalit Auditorium**. The primary purpose of this programme was to guide the students—especially first-generation learners and rural youth—towards understanding the diverse career paths available in the Indian Air Force and to motivate them to pursue a life of discipline, national service, and professional excellence. The visit of the Indian Air Force Mobile Simulation Van, equipped with advanced virtual flying technology, added a unique experiential dimension to the entire event.

The programme commenced with the warm welcome of the distinguished guests, including **Wing Commander Manish Verma**, who headed the Indian Air Force Career Guidance Team. From the institutional side, the event was graced by the presence of **Prof. Ravindra Kumar, Principal**, **Miss. Varsha Singh**, Vice-Chairperson of the Management Committee, and **Shri Umesh Shah**, Secretary of the Management Committee, whose participation reflected the college management's commitment to expanding career opportunities for students. Senior academic administrators such as **Prof. Jitendra Singh**, IQAC Convenor, and **Dr. Manoj Kumar Mishra**, Coordinator of the Placement Cell, played a central role in planning and executing the programme. Their collective vision was to strengthen the career readiness of students and expose them to national-level service opportunities.

The presence and active support of faculty members added further academic strength to the programme. Among those present were Prof. B. P. Singh, Prof. Shashi Bala, Prof. Aman Chandra, Dr. Smriti Shishir, Dr. Smita Singh, Dr. Shailja Singh, Dr. Harish Kumar Shukla, and Dr. Yogendra Nath Srivastava, all of whom contributed significantly to facilitation, discipline management, student engagement, and academic coordination. Their participation ensured that students felt mentored, guided, and motivated throughout the event.

The highlight of the programme was the detailed motivational address delivered by Wing Commander Manish Verma, who introduced students to the ethos, opportunities, challenges, and aspirations associated with serving in the Indian

Air Force. He explained various entry routes such as **AFCAT, NDA, Agni-veer Vayu, Technical and Non-Technical branches**, and Officer Cadre selections. He also elaborated on eligibility criteria, physical and mental fitness requirements, training modules, postings, career progression, and the lifestyle of an Air Force officer. His interactive and inspiring session generated great interest among students, who asked numerous questions related to examinations, preparation strategies, duty responsibilities, pay scales, and the courage and commitment required in defence services.

Parallel to the lecture, the Air Force Mobile Simulation Van offered students the rare opportunity to experience virtual flying through a sophisticated fighter jet simulator. Students who entered the cockpit-like environment expressed excitement and wonder at witnessing real-time aircraft controls, instrument panels, and simulated in-flight maneuvers. Many described it as a “dream-like” moment that ignited curiosity for aviation, aerospace technology, and national defence. Because of high student turnout, simulation entries had to be managed in batches, but the college ensured smooth coordination and equal access for all participants.

The programme proved to be highly successful and deeply impactful, attracting around 250 students from various disciplines. Many students reported that this exposure broadened their understanding of defence careers and motivated them to prepare for national-level competitive examinations. The event significantly boosted students’ confidence, awareness, and aspiration toward joining the Indian Air Force. Several students expressed a renewed sense of purpose, determination, and enthusiasm for shaping a disciplined and service-oriented career path.

The documentary evidence of the programme—including newspaper coverage, photographs, and the official notice issued by the college—highlights the institutional commitment toward empowering youth with career guidance, especially in rural and semi-urban regions. The programme also strengthened institutional collaboration with the Indian Air Force, paving the way for future workshops, training sessions, and preparatory initiatives.

Moving forward, the college plans to organize additional defence-career-focused activities, establish an AFCAT/NDA preparatory support system, and expand structured career mentoring under the IQAC and Placement Cell. These efforts aim to nurture students’ talents, enhance their future readiness, and encourage them to contribute meaningfully to the nation.

वायु सेना में भविष्य बनाने को किया जागरूक

भारतीय वायु सेना के विंग कमांडर मनीष कुमार वर्मा ने छात्र-छात्राओं को बेहतर भविष्य के लिए वायुसेना में भर्ती होने के लिए प्रोत्त प्रिया। उन्होंने कहा कि युवा वायुसेना में भर्ती होकर अपने भविष्य को बेहतर दिया दे सकते हैं। भारतीय वायुसेना में प्रवेश संभवित पत्रका की जानकारी देते हुए विंग कमांडर ने कहा कि अभ्यर्थी अपनी शैक्षणिक के अनुसार विभिन्न पांच वर्ष भर्ती हो सकते हैं। वायु सैनिक के रूप में चयन के लिए समय-समय पर अधिकृत भारतीय चयन घरीषा और भर्ती रीतिवान निकाली जाती है। उन्होंने कहा कि नवीनतम योग्यता मापदंड, चयन प्रक्रिया, कार्यं कार्या, वेतन और भर्ती तथा अन्य लायप के बारे में जानकारी के सेना को बैठ सहित पर उपलब्ध है। वायुसेना पर आधारित कई प्रस्तुति तथा उत्तर देने वाले विद्यार्थियों का वायु सेना की ओर से पुस्तकालिका देकर सम्मानित किया गया। उपायक्ष वयो सिंह, सचिव उमेश शाह, संजू छावड़ा, प्रो. जितेंद्र सिंह, डा. मोजा कुमार, मिश्र डा. सिमा सिंह, डा. शैलजा सिंह ने अंतिमियों का स्वागत कर कार्यशाला की उपस्थिति पर प्रकाश डाला।
