NEP-2020 Specific Components for the BBA Program

Modular Structure

*Co-Curricular: As per the university norms those classes will run according to the college time table.

Elective Modules: Students can choose elective subjects in both semesters, which will help in specialization from Semester III onwards. These vocational programs will be departmental and the students have to attend those classes as per the time schedule decided by the specific departments.

- *Skill Development Courses:* Integrated with the core curriculum, offering courses like ADD-ON programme in Digital Marketing, Personality Development and so on. Any student from any faculty can join these programs for their skill enhancement.

Multiple Exit Points

- *Certificate* (Exit after 1st year, subject to completion of 48 credits)
- *Diploma* (Exit after 2nd year, subject to completion of 96 credits)
- *Degree* (Exit after 3rd year with 140+ credits)
