

स्वावलंबी भारत अभियान शिक्षा से रोजगार की ओर बढ़ते कदम"

Date: 12/08/2023

Venue: Botany Department, Sri Lal Bahadur Shastri Degree College, Gonda

Organised by: Cultural Committee

Introduction: The Botany Department of Sri Lal Bahadur Shastri Degree College, Gonda, organized a symposium titled "स्वावलंबी भारत अभियान शिक्षा से रोजगार की ओर बढ़ते कदम" (Self-reliant India campaign-steps from education to employment) on 12th August 2023. The symposium aimed to explore the crucial link between education and employment in India's journey towards self-reliance.

Anchoring by : Dr. Rekha Sharma adeptly anchored the symposium, ensuring smooth transitions between sessions and engaging the audience effectively. Her skills as an anchor contributed significantly to the overall success of the event.

Programme presided by : The symposium was presided over by Prof. Jitendra Singh and Prof. Shrawan Kumar Srivastava, eminent personalities in the field of education. Their leadership provided guidance and inspiration to both participants and attendees, setting a tone of intellectual discourse and constructive dialogue.

Organizers : The seamless organization of the symposium was a result of the dedicated efforts of the organizing committee. Dr. Rekha Sharma, Dr. Sanjay Verma, and Dr. Priyanka Srivastava played pivotal roles in conceptualizing and coordinating the event, ensuring its smooth execution and success.

Event Highlights: The symposium featured a series of enlightening discussions, presentations, and panel sessions focusing on various aspects of the theme. Eminent scholars, educators, and experts shared their insights on topics such

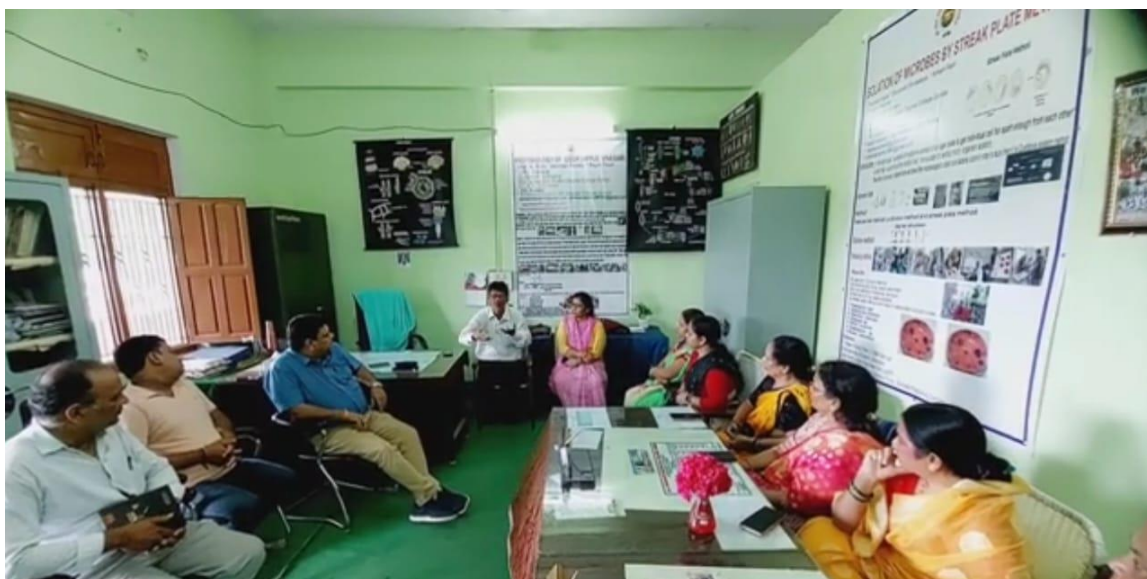

as skill development, entrepreneurship, innovation, and the role of education in shaping a self-reliant India.

Participants actively engaged in discussions and debates, exchanging ideas and perspectives on ways to bridge the gap between education and employment opportunities .

Outcome : The symposium "स्वावलंबी भारत अभियान शिक्षा से रोजगार की ओर बढ़ते कदम" organized by the Botany Department of Sri Lal Bahadur Shastri Degree College, Gonda, served as a significant forum for exploring the critical nexus between education and employment in India's. quest for self-reliance. Through insightful discussions and collaborative endeavors, the symposium contributed to fostering a culture of innovation, entrepreneurship, and self-reliance among the youth, thereby laying the foundation for a prosperous and empowered nation.
