ENGINEER'S DAY

An essay writing Competition

15-Sept-2022

Prof. Ravindra Kr. Pandey
Principal

Prof. Sanjay Kr. Pandey
Head of department, Mathematics

Er. Abhay Dwivedi
Head of department, BCA

Engineer's Day is celebrated on September 15th in India to honor the birth anniversary of Sir M. Visvesvaraya, a distinguished engineer, scholar, and statesman. This day serves as a tribute to engineers' contributions to society and the vital role they play in shaping the modern world. It is a moment to reflect on the significance of engineering in our daily lives and inspire future generations to embrace this noble profession. On 15th September 2022 at Shri Lal Bahdur Shastri Degree College, Gonda the Engineers Day celebration was organized by the department of **Computer Application** and IQAC Shri Lal Bahdur Shastri Degree College, Gonda.

The Legacy of Sir M. Visvesvaraya

Sir M. Visvesvaraya, often referred to as the "Father of Modern Mysore," was a pioneer in engineering and infrastructure development. His innovative work in hydraulic engineering, particularly the construction of the Krishna Raja Sagara Dam, transformed agriculture and irrigation in the region. He was also instrumental in establishing the Mysore Chamber of Commerce and Industry,

promoting industrial growth. His vision and dedication continue to inspire engineers today.

The Role of Engineers in Society

Engineers are the architects of our modern civilization. They design, build, and maintain the infrastructure that supports our daily lives. From roads and bridges to hospitals and schools, engineering is integral to every aspect of society.

Objectives

The main objectives of the competition were to:

1. Celebrate the role of engineers in nation-building and innovation.
2. Encourage students to engage with engineering concepts and themes.
3. Enhance writing and analytical skills among participants.

Student Participated in Essay Competition

Student -40
