Event Overview: On September 9, 2023, Shri Lal Bahadur Shastri Degree College, Gonda, organized a significant program focused on the G20 Summit, aimed at raising awareness about its importance and objectives. This event was complemented by an exhibition and a Rangoli competition, providing students with a platform to express their creativity and engage with global issues.

Objectives: The key objectives of the G20 program were:

- To educate students about the G20's role in global governance and international cooperation.
- To encourage active participation in discussions related to economic and social challenges.
- To foster cultural expression through creative activities like Rangoli.

Program Details :

1. Inauguration:

- The event commenced with an inaugural address by the Principal, Prof. R.K. Pandey, who emphasized the significance of the G20 in addressing global challenges and promoting sustainable development.

2. Guest Speakers:

- Notable speakers, including local experts and faculty members, presented insights on topics such as international trade, climate change, and sustainable development, highlighting the G20's initiatives.

3. Interactive Sessions:

- Engaging discussions were facilitated among students, encouraging them to share their views on global issues and the impact of G20 policies on India.

4. Exhibition Program:

- An exhibition showcased various projects and research work related to the themes of the G20. Students presented posters and models illustrating key issues like poverty alleviation, climate action, and digital innovation.

5. Rangoli Competition:

- A Rangoli competition was held, allowing students to express their creativity and cultural heritage. Participants created vibrant designs reflecting themes of unity, diversity, and peace, which are central to the G20's mission.

Participation: The event saw enthusiastic participation from students across various disciplines. Faculty members and local community members also attended, fostering a spirit of inclusivity and collaboration.

Impact: The G20 program significantly impacted the college community:

- Students gained a deeper understanding of global issues and the importance of international cooperation.
- The exhibition and Rangoli competition encouraged creative expression, enhancing cultural awareness among participants.
- The event strengthened the sense of community within the college, as students worked together to organize and participate.

Conclusion: The G20 program organized by Shri Lal Bahadur Shastri Degree College was a resounding success, achieving its goals of education, engagement, and cultural expression. The collaborative efforts of Principal Prof. R.K. Pandey and the faculty were instrumental in the event's success, fostering an environment of learning and creativity.
