

Paudh Barat Event Organised By Cultural Committee

Date: July 7, 2023

Venue: Shri Lal Bahadur Shastri Degree College, Gonda

Chief Guest: District Magistrate Neha Sharma

Introduction

On July 7, 2023, Shri Lal Bahadur Shastri Degree College in Gonda hosted the Paudh Barat event, an initiative aimed at promoting environmental awareness and encouraging tree plantation. The event was graced by the presence of District Magistrate Neha Sharma, who emphasized the importance of green initiatives in combating climate change.

Event Overview

The Paudh Barat event began at 10:00 AM with an inaugural ceremony that included a welcome address by the college principal. The gathering included students, faculty members, local officials, and community members who participated actively in the proceedings.

Chief Guest Address

District Magistrate Neha Sharma delivered an inspiring speech, highlighting the urgent need for environmental conservation. She encouraged students to take ownership of their surroundings and actively participate in initiatives that promote greenery. "Every tree planted today is a step towards a healthier planet for tomorrow," she remarked, underscoring the role of youth in fostering sustainable practices.

Activities

Following the speeches, the participants engaged in a tree plantation drive within the college premises. Various saplings, including neem, banyan, and peepal, were planted by students and faculty, symbolizing a collective commitment to environmental stewardship.

In addition to the plantation activity, educational workshops were conducted to inform attendees about the benefits of afforestation and the significance of biodiversity. These sessions included interactive discussions, presentations, and a Q&A segment, allowing students to engage with experts in the field.

Outcome :

The Paudh Barat event was a resounding success, reflecting the commitment of Shri Lal Bahadur Shastri Degree College and local authorities toward creating a greener future. The active participation of the community, coupled with the guidance of DM Neha Sharma, made the event memorable and impactful. The initiative not only beautified the campus but also planted the seeds of environmental responsibility in the hearts of the participants.

As the day concluded, participants left with a renewed sense of purpose and a promise to nurture the saplings planted, ensuring that their growth symbolizes a collective effort toward a sustainable environment.
