

## National Farmer's Day

**Date:** 23 December 2023

**Venue:** Conference Hall, Science Campus, SLBSDC, Gonda

**Organized by:** Department of Agriculture, Shri Lal Bahadur Shastri Degree College, Gonda

**Number of Students:** 250

The Department of Agriculture at Shri Lal Bahadur Shastri Degree College, Gonda, successfully organized an event to celebrate National Farmer's Day on 23rd December 2023. The program was organized to honour the tireless efforts of farmers and acknowledge their contributions to the nation's food security and economy.

**Keynote Address:** Prof. Sharwan Kumar Srivastava delivered the keynote speech. In his address, he emphasized the importance of sustainable agricultural practices and the adoption of modern farming techniques. He highlighted how climate change and environmental challenges demand an adaptive approach in agriculture. Prof. Srivastava also discussed new government schemes available to farmers to support them financially and technically.

### Program Details:

1. Inaugural Ceremony: The event began with a traditional lamp lighting ceremony and an introduction to National Farmer's Day and its significance in Indian agriculture.
2. Technical Session: A technical session was conducted where experts from the Department of Agriculture and Botany discussed modern agricultural practices, organic farming, crop diversification, and water management techniques. This session was aimed at educating farmers about the use of technology in agriculture.
4. Interactive Session with Students: The event included an open discussion where students shared their concerns, challenges, and experiences. The college faculty and agricultural experts addressed the queries of farmers, providing solutions and guidance on better farming techniques.

**Conclusion:** The event concluded with a vote of thanks delivered by the organizing committee, appreciating the farmers for their participation and contribution. Prof. Srivastava, in his concluding remarks, reiterated the need for continued dialogue between students and researchers to ensure agricultural growth and sustainability.
