

World Soil Day

Event: World Soil Day Celebration

Date: 05 December 2021

Venue: Department of Agriculture, Science Campus, Shri Lal Bahadur Shastri Degree College, Gonda

Number of Attendees: 205 students and staff

Speaker: Dr. Smita Singh, Assistant Professor, Department of Agriculture, SLBSDC Gonda

Program Details:

The event aimed to raise awareness about the importance of soil health and its critical role in sustainable agriculture. Dr. Smita Singh spoke on the theme of World Soil Day, emphasizing the need for soil conservation and management practices to combat soil degradation. Topics such as soil erosion, nutrient depletion, and techniques for enhancing soil fertility were discussed in detail. The event included a demonstration of soil testing procedures and how they can help farmers make informed decisions regarding crop selection and fertilization.

Students participated actively in the Q&A session, engaging with the speaker on methods to improve soil quality in local agricultural practices. The program concluded with a call to action for students and faculty to promote soil-friendly farming techniques and contribute to the global efforts in soil preservation.
