

## **Report on Forest Conservation Program 2022**

*Organized by the Forest Department*

*Date: 21st March 2022*

*Chief Guest: Forest Conservation Officer*

On 21st March 2022, the *Forest Department* organized a *Forest Conservation Program* to promote awareness about the importance of preserving forests and maintaining ecological balance. Girl students from *Shri Lal Bahadur Shastri Degree College, Gonda*, enthusiastically participated in the event, demonstrating their commitment to environmental conservation.

### **Key Highlights of the Program:**

1. **Objective of the Program:** The main goal of the program was to raise awareness about the significance of forest conservation and sustainable environmental practices. The program encouraged participants to contribute towards protecting forests, safeguarding biodiversity, and promoting afforestation.
2. **Participation of Girl Students:** A group of motivated girl students from *Shri Lal Bahadur Shastri Degree College* actively took part in the various activities organized as part of the event. Their participation emphasized the role of youth, especially young women, in environmental conservation and community awareness initiatives.
3. **Activities Conducted:** The program included interactive sessions, tree-planting drives, and discussions on the importance of forests in combating climate change. The girl students participated in the plantation drive, where they planted saplings and pledged to care for the environment. The Forest Department provided informative sessions on the local biodiversity, forest conservation laws, and ways individuals can contribute to protecting natural resources.
4. **Encouragement from Organizers:** The Forest Department commended the involvement of the students, highlighting the significance of active youth participation in such conservation efforts. The event was designed to inspire students to take up environmental causes and lead by example in their communities.

**Conclusion:** The participation of girl students from *Shri Lal Bahadur Shastri Degree College* in the *Forest Conservation Program* was an important step towards promoting environmental awareness and conservation efforts. The event successfully fostered a sense of responsibility among the students to protect nature and encouraged them to take proactive measures in conserving forests for future generations.
