### Executive Summary

The Vibhajan Vibhishika Rangoli Competition, held on 14 August 2022, at Shri Lal Bahadur Shastri Degree College, Gonda, was a celebration of artistic expression and cultural heritage. Organized to coincide with the festivities surrounding Independence Day, the event aimed to promote creativity and community spirit among students and faculty.

Under the coordination of Dr. Shailja Singh, the competition took place in the Lalita Shastri Sabhagar, which was adorned with vibrant decorations reflective of Indian culture. The event was graced by esteemed chief guests, Versha Singh and Shri Umesh Shah, whose presence highlighted the importance of such cultural activities in fostering a sense of belonging and patriotism.

Prof. Ravindra Kumar, in his presiding address, emphasized the role of creativity in education and the significance of Rangoli as a traditional art form that brings communities together. His remarks encouraged participants to embrace their cultural roots while expressing their individual artistry.

The event was anchored by Dr. Chaman Kaur, who guided the audience through the various stages of the competition. Faculty members actively participated as judges, evaluating the intricate designs and themes presented by the students. Participants showcased their skills through colorful and imaginative Rangoli designs, often incorporating themes of unity, freedom, and cultural diversity.

The competition fostered an atmosphere of healthy rivalry and collaboration, with students engaging in discussions and sharing techniques. The final creations were celebrated not just as art, but as a reflection of the values and narratives that shape our society.

**Prize Distribution:** 1st Rinnie Srivastava , 2<sup>nd</sup> Mehvish Meraz, 3<sup>rd</sup> Pratibha Singh

In conclusion, the Vibhajan Vibhishika Rangoli Competition was a resounding success, leaving a lasting impression on all attendees. It strengthened community bonds and promoted an appreciation for traditional art forms among the younger generation, reinforcing the importance of cultural events in educational institutions.
