Programme Presiding by – Prof. Ravindra Kumar

Anchoring by: Dr. Rekha Sharma

Introduction:

India, as a densely populated country, is undergoing a rapid transformation, particularly in terms of educational progress. However, amidst this transition, road safety remains a pressing concern. Despite strides in education, a significant portion of the population still lacks literacy, which contributes to road safety challenges. Recent data from the Ministry of Road Transport & Highways (MORTH) highlights alarming statistics. In 2022, the share of hit & run cases in total road accidents & deaths rose to 14.6% & 18.1% respectively, up from 16.8% and 11.8% in 2021. These figures underscore the urgent need for initiatives aimed at promoting road safety awareness.

Objectives: The objectives of the National Road Safety Policy in India are multifaceted. Firstly, it aims to reduce traffic accidents, acknowledging the significant impact such incidents have on individuals and communities. Secondly, it seeks to minimize fatalities and injuries resulting from road accidents, recognizing the need to prioritize human life and well-being. Additionally, the policy aims to enhance road infrastructure and information dissemination, making roads safer and more efficient for all users.

Participants no.: The program witnessed active participation from 200 students, reflecting the community's engagement and interest in promoting road safety awareness.

Participants name : Meera Singh, Deepak Shukla, Rohit Singh , Preeti Shukla , Priyanka Singh, Hemant Pandey , Jitendra Kalani , Sharad Srivastava ,Tulika Srivastava and more than 190 studenta are participated in this program .

Outcome: The National Road Safety Week program held at the Science Campus of S.L.B.S. Degree College, Gonda, served as a pivotal platform for addressing road safety concerns. The event garnered distinguished presence with S.I. Sri Ram Yadav gracing the occasion as the chief guest. His presence highlighted the significance of prioritizing road safety and adhering to traffic regulations. The coordination of the event was skilfully managed by Dr. Rekha Sharma, ensuring smooth proceedings throughout. Professor R.K Pandey, serving as the program head, provided valuable guidance and leadership. The program's agenda encompassed a range of activities aimed at educating participants about the importance of road safety rules and fostering a culture of responsible behaviour on the roads. Through insightful discussions and engaging presentations, attendees gained a deeper understanding of the need to prioritize safety while navigating roadways. Overall, the National Road Safety Week program served as a catalyst for community-driven efforts to address road safety challenges and promote safer roadways for all.
