Introduction: On 10th January 2024, the Faculty of Science at Sri Lal Bahadur Shastri Degree College, Gonda, in collaboration with Nehru Yuva Kendra, organized a program titled "मेरा भारत विकसित भारत" (My India Developed India). The event aimed to instill a sense of patriotism and underscore the

pivotal role of youth in the nation's development. A district-level speech competition was the focal point of the program.

Event Highlights: The highlight of the program was the district-level speech competition, where participants showcased their oratory skills and expressed their views on the theme "मेरा भारत विकसित भारत" (My India Developed India). The speeches reflected a profound understanding of the nation's challenges and opportunities, as well as a fervent commitment to its development.

Following a keenly contested competition, the winners were announced. Priya Shukla emerged as the winner, followed by Muskan Soni in second place and Anupa Yadav in third place. Their speeches resonated with the audience and left a lasting impact.

In addition to the competition, the program featured cultural performances, patriotic songs, and recitations that further instilled a sense of pride and unity among the participants and attendees.

Outcome: The program "मेरा भारत विकसित भारत" (My India Developed India) organized by the Faculty of Science at Sri Lal Bahadur Shastri Degree College, Gonda, served as a platform for youth to articulate their vision for a developed India. Through the speech competition and cultural presentations, the event succeeded in inspiring the participants to actively contribute to the nation's growth and progress. It reinforced the belief that with collective efforts and unwavering dedication, India's aspirations for development can be realized, making it a shining beacon of hope and prosperity.
