

One Day Workshop on “Advancement & Career Opportunities in Mathematics”

Detailed Report:

IQAC and Department of Mathematics, Shri Lal Bahadur Shastri Degree College, Gonda, organized a Oneday workshop titled “Advancement & Career Opportunities in Mathematics” on 17 Dec 2021. **Dr. Sayed Abbas, Associate Professor, School of Basic Sciences, Indian Institute of Technology, Mandi** was the chief guest and keynote speaker of the workshop.

The poster is for a one-day workshop titled "Advancement & Career Opportunities in Mathematics" held on December 17, 2021. It features a portrait of Dr. Sayed Abbas, an Associate Professor at the School of Basic Sciences, Indian Institute of Technology, Mandi, who served as the Key Note Speaker. The event was organized by the Department of Mathematics at Shri Lal Bahadur Shastri Degree College, Gonda. The target audience includes U.G. and P.G. students of Mathematics. The poster also lists the Convener (Dr. Sanjay Kumar Pandey), Patron (Prof. Ravindra Kumar), and Organizing Secretary (Manish Sharma).

**One Day Workshop on
“Advancement & Career Opportunities in Mathematics”**

Date: 17 December 2021

Key Note Speaker

Dr. Sayed Abbas
Associate Professor
School of Basic Sciences
Indian Institute of Technology, Mandi

Target Audience- U.G. & P.G. Students of Mathematics

Organized by
Department of Mathematics
Shri Lal Bahadur Shastri Degree College, Gonda

Convener
Dr. Sanjay Kumar Pandey
Associate Prof. & HOD, Mathematics

Patron
Prof. Ravindra Kumar
Principal

Organizing Secretary
Manish Sharma
Assistant Professor, Mathematics

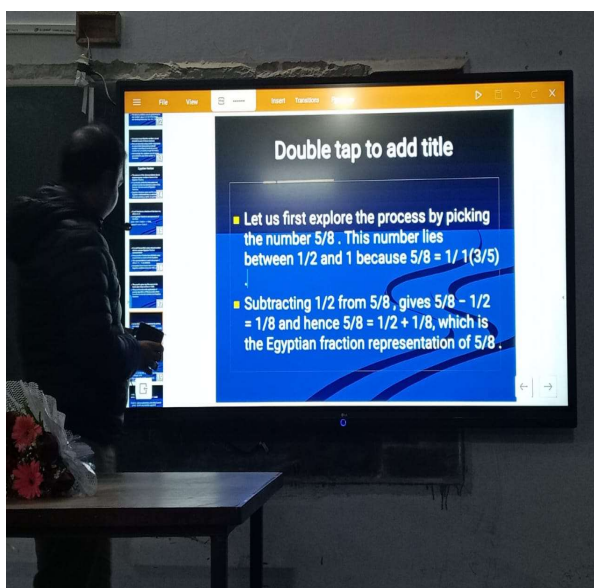

The programme started with the welcome of the guest and welcome speech by the Convener Dr. Sanjay Kumar Pandey, Associate Professor & Head, Department of Mathematics.

In his first lecture, Dr. Abbas discussed the various career opportunities for the under graduate and post graduate students of Mathematics. He briefly discussed the benefits of pertaining the higher education of Mathematics from IIT's and high-ranking institutes. He also summarized the process of Ph.D. from foreign institutes. He listed some the highly established institutes of international and national level. He also emphasized the requirement of specific skills and courses which are being demanded by various job providing companies.

In next lecture, the keynote speaker focused the advancement and current trends of research in Mathematics. He started with “Sheep Distribution Problem” and discussed different aspects of distribution. He told the students that mathematics is being used in every filed of science. He discussed a epidemiological model of Corona virous disease briefly. He explained, how a mathematical model can be used while planning the strategies to fight with such epidemiological diseases.

In last session the keynote speaker took the queries of the participants and replied all of them one by one.

At the end, organizing secretary of the workshop, Mr. Manish Sharma gave the vote of thanks to the Chief guest, management of the institute, Principal Sir,

Converner of the Workshop, All the faculty members of the department and all the participants.

A total number of 105 participants of B.Sc. and M.Sc. students registered themselves for the workshop and around 120 students attended the workshop. Offline attendance of the students was also taken. In this workshop, Assistant Professor Dr. Vivek Khare, Dr. Ankit Maurya and Mr. Surendra Tiwari were also present throughout the all sessions of the workshop.
